

Vital Life Foundation Annual Report

YEAR 2009

Letter from the Board

The Vital Life Foundation has accomplished many things in its second year. We continue our work with our charitable partners who all share a mission that positively impact youth, health and wellness, education, families, women, and seniors. These programs are supported through direct contributions as well as matching Vital Volunteer hours.

Despite tough economic times, our revenue has increased by \$100,000 in 2009 and our donor base has grown in all areas. Our Spirit Club doubled its members to 323 and committed over \$64,000 in donations. The number of Vital Volunteers has tripled to 30 members. Our donors have increased by 700% to 213 members and our corporate donors have quadrupled to 41.

Vital Volunteer Stories

Asele Bugingo | Marquis Care at Vermont Hills

Asele has always shown an interest in wanting to make people's lives better. When Asele was growing up in Rwanda, she saw many people suffering daily. She had the drive to help but lacked the skills necessary to do so. Today she is in the middle of starting her career as a nurse and achieving her personal goal to help people.

While academics keep Asele busy, she also works locally in her community and globally. Asele founded UZIMA Health Promotion to encourage immigrant families to get involved in their new community. She is also involved in African Women Coalition, Peace and Justice, Water for People, Nursing Students without Borders, and Global Health. As a member OHSU's Nursing Students without Borders she spent a month in Kenya with the Chwele Western Kenya Community Development Project. The clinic there serves nearly 58,000 people providing family services and prevention of malaria, HIV/AIDS, diabetes, hypertension and water-borne diseases. While Asele was there she did physical check-ups and referrals to doctors for free medications. For Asele, her nursing career will have no borders and her heart will work with refugees and immigrants, locally and globally.

Tara Watts | Marquis Vintage Suites at Grand Park

Early in the Spring of 2009 Tara Watts, a caregiver on the Expressions Alzheimer's and Dementia Neighborhood came in with a crocheted pattern and supplies to make bears as a resident activity. The activity was a hit and they decided to crocheted and sell bears as a fundraiser for the Montana Chapter of the Alzheimer's Association.

It wasn't long before Tara was teaching crocheting, stuffing, sorting, and sewing bears. "It is a win-win situation," CJ Dahle, Community Relations Director said. "We are helping to fight Alzheimer's, not only by raising money, but by engaging those that have the disease to do so, also." Now a crocheted purple bear greets all visitors at Marquis Vintage Suites at Grand Park in Billings, Montana.

Between the residents and staff:

- 130 bears have been produced
- 101 bears have been adopted by residents, their families, staff members, and the public
- Bears have been sold to family and friends in Kansas, Minnesota, Wisconsin, and Oregon

Giving back to the community has always been a significant part of the Marquis Companies and Consonus Healthcare philosophy. Bringing the causes we support to the forefront is important to us, and that's why we've formed the Vital Life Foundation. The foundation is the vehicle for our commitment to supporting youth, wellness, education, families, women, and seniors.
