

LIVING WELL, LIVING FULLY, EACH AND EVERY DAY.

SERVING SENIORS SINCE 2008, The Vital Life Foundation is a non-profit that brings employees, residents, charities and communities together in the spirit of philanthropy and service. Created by Marquis, a post-acute care company, and its sister company Consonus Healthcare, which provides pharmacy and rehabilitation services to the long-term care community. The Foundation has helped over 100,000 seniors and acts as a catalyst between a number of charities whose main focus is to help seniors and the people in our communities who want to give to something greater.

The mission of The Vital Life Foundation is to support organizations and programs that provide meaning and vitality in the lives of seniors and staff living and working in long term care.

WE FOCUS OUR GIVING IN THREE AREAS:
